COMMENTS: He has been a District Judge since 2000, he was up for reelection and was unopposed. He has filed numerous campaign reports in the past and have only been late on one report which was in 2014. In reviewing the packet which was given to him when he qualified he found nothing stating that he needed to file any report, except the financial disclosure statement, which he has already filed. When he read the letter it stated that if he had. filed a financial disclosure statement in 2020 that he was not required to file another disclosure statement. His secretary called Katelin Morgenstern with the Supreme Court to make sure he was not supposed to file anything else. She informed us that he had filed everything necessary.

RE: Campaign Report

Dear Ms. Horn:

On October 13, 2020, I received a certified letter from you in reference to a report I was required to file by October 5, 2020. I have been a District Judge since 2000, I was up for re election and was unopposed. I have filed numerous campaign reports in the past and have only been late on one report which was in 2014. In reviewing the packet which was given to me when I qualified I found nothing stating that I needed to file anything except the financial disclosure statement, which I had already filed.

When I qualified to run for re-election I was given a packet which I went through and did not find where any report was due except for the financial disclosure statement. When I read the letter it stated that if I had filed my financial disclosure statement in 2020 that I was not required to file another disclosure statement. My secretary called Katelin Morgenstern with the Supreme Court to make sure I was not supposed to file anything else. She informed me that I had filed everything necessary.

When I received your letter stating that another report was supposed to be filed, I did it that day and would have filed it timely had I known I needed to. I have always filed my reports and certainly would have filed this one had I known it was due. I am truly sorry for the oversight, however, in reading the packet I did not see where two reports were due.

Therefore, I am asking that you waive the 480.00 late fee assessment since I filed the report on the day I received my letter informing me I have made this error.

Thank you for your consideration in this matter, I remain

Very truly yours,

Glenn Fallin
District Judge
